46th Parliament

Parliamentary Handbook of the Commonwealth of Australia 2020

The 35th edition of the Parliamentary Handbook of the Commonwealth of Australia is a comprehensive guide to the 46th Parliament. The biographical section includes details of the parliamentary service and political career of each Senator and Member, as well as some personal particulars. The Handbook also provides information on parliamentary committees, together with statistical summaries of the 2019 elections for the House of Representatives and the Senate, maps of federal electoral divisions, and some valuable lists and tables concerning the history of the Australian Parliament.

Information, analysis and advice for the Parliament
