Information Circular No: **2012/12** Date: 2 March 2012

TO: SENATORS, MEMBERS AND OTHER BUILDING OCCUPANTS

Parliament House public car park security wall project

1 As part of the program to improve security arrangements at Parliament House, a security wall is under construction across the southern end of the Parliament House visitor car park. The project will also improve pedestrian access from the lower levels of the car park.

2 To maintain safety during construction activity, the Security Point 1 entrance, adjacent stairways and the car park lift **will be closed from**:

(a) 6pm Monday 5 March to 6am Tuesday 6 March;

(b) 6pm Tuesday 6 March to 6am Wednesday 7 March;

(c) 6pm Wednesday 7 March 6am Thursday 8 March;

(d) midnight Thursday 8 March to 6am Friday 9 March; and

(e) 6pm Friday 9 March to 6am Saturday 10 March.

3 Access to the front of the building during these times will be via the main entrance at ground floor level. It is suggested car parks at the lower (northern) end of the car park are used during these times, with the nearby spiral stairs used for access to the forecourt. A diagram indicating the route of access is attached.

4 For further information please contact Mr Michael Hughes, DPS Project Manager on (02) 6277 5184.

David Kenny
A/Secretary
