Question

Trade Training Centres in Schools Program

Senator CASH—I was listening to Senator Mason earlier, and he referred to the 'assistant director, signage and recognition strategic communications' under the Building the Education Revolution. Is there a similar person who is going to be looking after the signs under the trade training centres project?
Mr De Silva—There is team within my branch which is responsible for Victoria, Western Australia and the ACT.
Senator CASH—When you say a team within your branch, can you just take me through that?
Mr De Silva—There is a team of seven people. There is an EL2, two EL1s, probably two APS6s and two APS5s. I can give you the exact breakdown.
