

List of enabling provisions for non-disallowable instruments in the *Biosecurity Act 2015*

The following sections currently provide that various legislative instruments made under the Biosecurity Act 2015 are non-disallowable.

Provisions administered by the Minister for Health and Aged Care

- section 42 - listed human diseases
- sections 44 and 45 - entry and exit requirements
- section 49 - classes of incoming aircraft or vessels
- section 50 - pre-departure reporting requirements
- section 51 - preventative biosecurity measures
- sections 110 and 112 - human remains brought into Australian territory and bodies of individuals who have died in transit or on arrival
- section 113 - human health response zones
- section 256 - declarations specifying ports at which vessels may be inspected for the purposes of the ship sanitation scheme
- section 475 - declarations of a human biosecurity emergency by the Governor-General
- section 476 - extensions of a human biosecurity emergency period by the Governor-General
- section 477- emergency requirements during human biosecurity emergencies

Provisions administered by the Minister for Agriculture and Northern Australia

- section 182 - determinations of 'suspended goods' that must not be brought into Australia for a specified period
- section 365 - biosecurity response zone determinations
- section 384 - temporary biosecurity monitoring zone determinations
- sections 395 and 398 - biosecurity activity zone determinations and revocations of those determinations
- section 443 - declarations of a biosecurity emergency by the Governor-General
- section 444 - extensions of a biosecurity emergency period by the Governor-General
- section 445 - determinations specifying emergency requirements during biosecurity emergencies
- section 524A - determinations listing goods for the purposes of infringement notices
- section 543 - ministerial directions to the Director of Biosecurity

Provisions jointly administered by the Minister for Agriculture and Northern Australia and the Minister for Health and Aged Care

- sections 173 - determinations of 'prohibited goods' that must not be brought into Australia

- section 174 - determinations of 'conditionally non-prohibited goods' that must not be brought into Australia unless specified considerations are complied with
- paragraphs 228(a) and 234(a) - determinations of landing places or ports that are first points of entry for aircraft, vessels or goods that are subject to biosecurity control
- paragraphs 228(b) and 234(b) - instruments varying or revoking determinations of landing places or ports that are first points of entry for aircraft, vessels or goods that are subject to biosecurity control
- section 618 - declarations specifying that the movement of persons, goods or conveyances between certain parts of Australian territory are to be treated as if they were international movements
