Information Circular No: **2011/42** Date: 12 August 2011

TO: SENATORS, MEMBERS AND OTHER BUILDING OCCUPANTS

Temporary closures of the Parliament Drive link road

- Due to protest events scheduled to occur on Federation Mall during the August parliamentary sitting period, the two-way link road across the top of Federation Mall will be closed for periods of time on the following days:
 - (a) 16 August 2011; and
 - (b) 22-23 August 2011.
- These closures are necessary to manage safely large numbers of people anticipated to visit the Parliamentary precinct on these days.
- During the road closure periods, vehicles wishing to access the visitors car park from Commonwealth Avenue will be able to do so by either:
 - (a) turning right on to Parliament Drive and proceeding around the building; or
 - (b) proceeding down the full length of Federation Mall and entering the car park via the eastern avenue.
- Access to the visitors car park from Melbourne Avenue or Kings Avenue will be unaffected. Through traffic that would normally use the link road will be re-directed through the visitors car park (west bound) or via Federation Mall (east bound).
- For further information please contact Mr Murray Thompson, Director Security on (02) 6277 4701 or murray.thompson@aph.gov.au.

David Kenny Acting Secretary
