Hi,

I'm writing to voice my support for Senator Madigan's bill to remove medicare funding for gender selection abortions.

Whilst I am against abortion in every situation, gender selection abortions are the height of sexism and discrimination and should not be legal, and most definitely not govt. funded!!!

Hitler convinced a nation that Jews were not human and legalised their termination, when we claim that children in the womb are not human and legalise their termination, we do as Hitler did. The only difference is the size of the corpses.

Yours in good will,
