

Mr Mundine sent me an email with a true statement abt kids should be in classrooms. Yes...this is correct, however **IF THEY BREAK THE LAW** they should be punished. Maybe classrooms inside Juvenile Correctional facilities?. **Parents should be made accountable** for their childrens deeds. I am so sick of Do Gooders with wonderful sounding plans who miss the big picture. **IF THESE CHILDREN/JUVENILES** offend they should be punished the same as anyone else. A slap on the wrist **DOES NOT WORK** and the victims of their crimes still suffer. Again and Again and Again .

Bad luck Mr Mundine, wrong one to send this email to. I call a spade a spade, **regardless of race creed or colour.**
