Dear Sir/Madam,

I wish to register my support for Senator John Madigan's Health Insurance Amendment (Medicare Funding for Certain Types of Abortion) Bill 2013, as I consider that it is totally unacceptable that public funding is spent to kill unborn children.

Medicare funding should not be available when "the termination is carried out solely because of the gender of the foetus", section 17A(1) (b), as it is an irresponsible use of taxpayers' money to selectively kill unborn children based on their gender. This detestable practice severely discriminates against and devalues future citizens of Australia.

Yours sincerely,
Shelley Ann Reaney
