

To the Senate Enquiry on:

The Australian Capital Territory (Self Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010

I would like to most strongly protest on Bill Brown's push for this Bill . I believe it is a bill by stealth to push the agenda for Euthanasia and Same-Sex Marriage.

It has even been stated by the Treasurer, Wayne Swan that there is no guarantee if this Bill should go ahead, that this will not happen.

It also allows whoever controls the territories to change the nation. Are you kidding me? Why should 2 territories have greater control over the whole nation and the other states? Also why should a minority party and a minority percentage of Australians be given such power? It is becoming increasingly obvious that the Australian Labor Party has an unholy alliance with this party and therefore is weak and unable to govern with integrity

It is nothing but a bill by stealth! Please DO NOT allow the passage of this Bill!

I would like to register that I prefer my details to remain confidential.

Yours sincerely,
