Dear Sir/Madam,

We support the Health Insurance Amendment (Medicare Funding for Certain Types of Abortion) Bill 2013.

We and most other taxpayers do not agree to use the of Medicare funding for the purpose of gender selection abortions.

Medicare Funding is unacceptable to Australians as the taxes paid are not meant to be used for the prevalence of gender selection - with preference for a male child - amongst some groups present in Australia and then recourse to Medicare funded abortions to terminate female children.

Yours sincerely,

Dominic & Carmel Sorbara
