

To whom it may concern,

I am writing in regards to the use of Medicare funds for Gender Select Abortions. As a tax payer, I believe that aborting a child solely because it is a boy or a girl is NOT a medical procedure and, therefore, should **not** receive a Medicare benefit; Medicare benefits should be for needed health procedures not for eliminating babies because of their gender due to cultural or personal preferences.

I support the Health Insurance (Certain Types of Abortion) Amendment Bill 2013.

Yours sincerely
