

**JOINT SELECT COMMITTEE ON AUSTRALIA'S
IMMIGRATION DETENTION NETWORK**

Q117

Question: Would you be able to provide a copy of that plan?

Answer: There are a number of documents governing the management of critical incidents and emergencies at Immigration Detention Facilities in Curtin.

These documents include the Curtin Centre Security Services Plan, Curtin Incident Management Protocols and Curtin Contingency Plans.

These documents have been developed by the department's detention service provider, Serco.

The Committee also requested a copy of the Critical Incident Response plans from Serco at the 7 September 2011 Public Hearing in Derby. It is the department's expectation that Serco will provide these documents to the Committee.
