

16/4/13

Dear Sir or Madame,

I support Senator John Madigan's Health Insurance Amendment (Medicare Funding for Certain types of Abortion) Bill 2013 as it is absolutely unjustly and immorally discriminates against unborn babies based on it's gender.

Medicare funding should be removed when "the termination is carried out solely because of the gender of the foetus" section 17A (1) (b) because it is not right that taxpayers money should go towards the termination of unborn babies based on it's gender. Unborn baby girls should not be devalued and unjustly discriminated against.

Yours sincerely,

Kathryn Sheridan
