Dear Madam

Re: Inquiry into the performance of the Department of Parliamentary Services

We act for Mr Franco Colussi.

Mr Colussi was the constructor/installer of the aboriginal designed courtyard mosaic.

Mr Colussi's submission to the inquiry is limited to the question of cleaning and maintenance (which is quite clearly not being effectively done at this time).

The area should not be cleaned by a gurney or similar device.

It should be cleaned with a brush and detergent and the excess water prevented from entering the pond.

If the Committee (or appropriate Department) want a demonstration on how to clean and maintain the area he would be happy to travel to Canberra for that purpose provided his expenses are covered.

Yours faithfully
