

Senate Inquiry into "Commonwealth contribution to former forced adoption policies and practices."

Preamble to Submission

I Deanne Barone am a citizen of the Commonwealth of Australia resident in Canberra, A.C.T.

As a citizen of the Commonwealth of Australia I have an inalienable right to protection under the Australian Constitution and the Common Law of this country. As an Australian citizen, the Commonwealth affords me protection from the unlawful and harmful actions that threaten my right to life, liberty and justice from those who would deny me these rights, within and without, the borders of Australia.

Dear Senators,

Commonwealth of Australia Inquiry into Former Forced Adoption Policies and Practices.

As a citizen of the Commonwealth of Australia I had and still do have an inalienable right to protection under the Australian Constitution, rule of law and the Common Law of this nation.

As an Australian citizen, the Commonwealth should have afforded us all protection from the unlawful and harmful actions that threatened our right to life, liberty and justice from those who denied us all these rights, within and without, the borders of Australia.

We must live by the Australian Constitution, Rule of Law, and the Common Law of this country and Commonwealth politicians are elected to uphold the Commonwealth Law meaning they will prevail over federal legislation, and by the operation of section 109 of the constitution, will override inconsistent state laws (whether past or future.)

I am a natural mother who would like to register my interest in this Committee's inquiry and acknowledgment that it is an important step in addressing the issues of forced adoptions in the 1950's to the 1970's.

As a direct consequence of the inhumane treatment I have received, I have suffered a lifetime of living grief and pain and as a result I am unable to prepare/write my personal story for the presentation to the Inquiry.

I believe the evidence into the Commonwealth Government's involvement in forced adoptions will change not only your understanding of this dark period of this country's history but will increase your determination for the truth to be recorded so that the past is never repeated.
