Dear Secretary,

I, Helen Ann Gordon want to register my opposition to the Private Members' Bill sponsored by Sen. Bob Brown entitled the "Australian Capital Territory (Self Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010.

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage. I reject both ideas as destructive to the common good of our Australian people. By this Bill, we would be deliberately mocking long held valuable traditions of nurturing the family, from conception to grave. This bill ignores basic human dignity. It would be gravely tragic. This bill would unleash most uncivilising forces that will set disturbing standards for posterity, e.g. polygamous marriages, and killing the sick, elderly and unwanted without medical assistance. As things are, Traditional marriage and palliative care for the old and sick and dying mark our culture with deep civilising force.

I totally reject this Private Members' Bill. It ought never have been brought forward.

Your faithfully,  
(emailed)  
Helen Ann Gordon
