Re: Clean Energy Regulator submission in relation to the *Crimes Legislation Amendment (Law Enforcement Integrity, Vulnerable Witness Protection and Other Measures) Bill 2013*.

The Clean Energy Regulator thanks the Committee for the opportunity to comment on the *Crimes Legislation Amendment (Law Enforcement Integrity, Vulnerable Witness Protection and Other Measures) Bill 2013*.

The Clean Energy Regulator supports the proposed amendment in Schedule 4 of the bill to add the Clean Energy Regulator to the list of 'designated agencies' in the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*.

The amendment will enable AUSTRAC to share financial intelligence information with the Clean Energy Regulator, and assist us to ensure that the regulatory schemes we administer remain free from criminal influence and exploitation.
