10th of March 2011

I Darijo John Cakarun

would like to register my opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the *Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010*.

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which I reject the institution of marriage has always been between a man and a woman and should be left as such. Same sex unions are exactly that and should be called and referred to as such only. I consider euthanasia to be against the principles of nature and God keeping life sacred and a holy gift which one should not usurp or shorten due to one's feeling a superior and knowing what's best for another's life. Should this bill be passed I feel it would not be in the best interests of our Nation or the families, old people and the children of our nation.

Yours sincerely

Darijo John Cakarun B.Pharm MPS AACPA
