

To the Parliament of Australia Senate,

Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010.

I oppose this legislative amendment and this is my formal protest on the Bill. This Bill is a dangerous power shifting exercise that would allow a very small group of politicians to introduce legislation that will domino effect through the nation.

I also protest the stealthy way at which this 'Law changing' amendment is being made.

I find it disturbingly Un-Australian and un-constitutional.

Sincerely

Jason Lee.
