To whom it may concern,

I am writing to you to note my support of Senator Madigan's bill to remove Medicare funding for sex-selection abortions.

I do not believe our tax dollars should go to killing unborn babies simply because he or she is not the preferred gender. I also believe that Medicare funding should only go to genuine medical issues. Bumping off a child because you are not happy with the gender is of course not a real medical issue. It is instead a lifestyle choice, and tax dollars should not go to such a poor excuse for killing an unborn baby.

Regards,
