

From:  
Mrs Kay Laing

Senate Inquiry Naplan Testing.

Please leave our 7 year olds to develop their writing skills in their own developmental time. They are not ready to write an exposition by early Year 3. Why the hurry? They should be concentrating on developing punctuation, logical flow of ideas, spelling. They need to develop an enjoyment of writing by writing what they are developmentally capable of doing. They are NOT ready to be tested on an exposition!!

Yours faithfully,  
Kay Laing.
