## JOINT SELECT COMMITTEE ON AUSTRALIA'S \*Q299\* IMMIGRATION DETENTION NETWORK

Question: How many children are currently in detention due to a parent's adverse ASIO

assessment?

Answer: As at COB 28 February 2012, there were three children in detention facilities as

unlawful non-citizens as their parents have received an adverse security assessment from ASIO. These children are accommodated in the Sydney Immigration Residential Housing (SIRH) with their parents. In addition, one child, a protection visa holder,

resides in the SIRH with his parents due to their request that he do so.
