

Dear Sir/Madam,

I would like to submit my opposition to any approval of Medicare Funds being used to fund any type of abortion.

I feel we are playing God when we decide as a nation to end a life whether it's in its earliest state or in its final phase. The Commandment 'Thy shall not Kill' is still one of Our Creator's Commandments, and an atheistic or satanic Government may oppose such a Commandment and that is their free will, but by legislating that all our funds be put in a pool and therefore we are all then responsible for these murders, denies our free will.

We also demand a hearing and a choice and it is my choice that my medicare fund does not go to such a morbid and self-destructing cause.

Yours faithfully,

Helen McKenna.
