Dear Sir Madame.

I am a first fleeter descendant of Jane Poole, my 5th great grandmother, from the Charlotte and Alexander ships. Jane's first daughter Margaret Poole was born with an unknown father. My blood line would have been stopped if she would have been aborted. When my first grandchild was born as I witnessed this myself, a miracle and almost died in my arms.

I know that every life is a creation by my Lord and sacred with an eternal purpose only they can fulfill.

If we agree to kill unborn children as the Bible calls them in psalm 139, 13 For thou hast possessed my reins: thou hast covered me in my mother's womb. 14 I will praise thee; for I am fearfully *and* wonderfully made: marvellous *are* thy works; and *that* my soul knoweth right well. 15 My substance was not hid from thee, when I was made in secret, *and* curiously wrought in the lowest parts of the earth. 16 Thine eyes did see my substance, yet being unperfect; and in thy book all *my members* were written, *which* in continuance were fashioned, when *as yet there was* none of them

Surely we will reap judgement and loss of these important children to our country. As a Bible believing christian

I cannot agree with paying for drugs or surgery to assist in murdering any children.

Knowing we all will all stand before our King and give an account of our actions and that is to be feared if we disobey His laws.

Praying for the leaders of our country to subject themselves to the Highest law of Thou shalt not kill...Deuteronomy 5 .13

In His service, an ambassador for Christ,

Mrs Julie Roberts.
