Submission to the **Senate Finance and Public Administration Committees** on their Inquiry into the "**Health Insurance Amendment (Medicare Funding for Certain Types of Abortion) Bill 2013.**"

Mr Steven Flanagan

Dear **Senate Finance and Public Administration Committees,**

I hereby make my submission in support of the **Health Insurance Amendment (Medicare Funding for Certain Types of Abortion) Bill 2013.**

I am strongly opposed to the idea of gender selection abortions. This is a particularly abhorrent form of gender discrimination.

I am also strongly opposed to such abortions being funded by Medicare. All polls I have seen show clearly that the majority of Australians do not support gender selection abortion and certainly do not support any such abortion being funded by the taxpayer.

Please support this important Bill.

Yours Sincerely

Steven Flanagan
