Marriage Equality Amendment Bill 2010

I have been encouraged by Senator Eriz Abetz to make a personal submission to the Committee.

My submission consists of two slightly amended chapters from my book *Children on Demand: The Ethics of Defying Nature* (University of NSW Press). I will post a copy of the published work to the Committee Secretariat late today.

I have also included the text of an address that I delivered at an Adoption Week conference in 2008.

Yours faithfully
