In Response To Question By Senator Back (Liberal)

Statement By Mr Lewis

“It is completely inappropriate to be naming individuals for the same reasons”.

Dear Members Of The Senate Foreign Affairs Defence And Trade Committee,

Whilst Mr Lewis' statement was made in respect of the testimony provided by Mr Thompson and Mr Quinn, it is of direct relevance to the consideration of the Digital Readiness Bill By The Senate Foreign Affairs Defence And Trade Committee.

This statement is an absolute statement that also applies to the Digital Readiness Bill.

The committee should respect the experienced and considered opinion of Mr Lewis and reject at the least the privacy provisions and release of private data in this bill.

Yours Respectfully
