Dear Mr. Palethorpe

RESPONSE FROM MIRVAC TO FAIR GO COMMITTEE SUBMISSION.

We refer to the above response, and wish to correct 2 statements made in that response.

1. The response stated “*Mirvac has been mentioned in a written submission received on behalf of the FAIR GO Committee.*”

At no stage did the FAIR GO Committee submission mention Mirvac.

2. The Mirvac response states “*.....and the report that states Mirvac has acquired this land is incorrect.*”

At no stage did the FAIR GO Committee indicate that Mirvac had “acquired” the land. Our submission stated “*.....the day after the announcement of the SFRC study, a major development company announced an agreement to purchase 5 of the developer’s industrial properties for \$255,000,000, including the above mentioned block.*”

Yours faithfully,

David Stephen
Chairman
FAIR GO Committee
