
To whom it may concern,

I send this submission in support of the bill to ensure unborn children are afforded the most basic of human rights: life. I therefore support Senator John Madigan who introduced into the Senate the Health Insurance Amendment Bill that would remove Medicare funding for sex-selection abortions. Aborting an unborn child solely on the basis of gender is not a medical procedure and should therefore not be afforded Medicare benefits. Please consider the sacredness of creation, that every developing human being is treated with respect.
