

**JOINT SELECT COMMITTEE ON AUSTRALIA'S
IMMIGRATION DETENTION NETWORK**

Q93

Question: Is there a specific line item in the contract saying that maintaining order in the centres is part of what DIAC requires?

Answer: The contract requires the service provider to ensure the safety and security of the centres and the well-being, safety and security of all people within.

In particular, the contract statement of work articulates the department's expectation that order in the centres will be maintained at all times. The service provider must:

- (i) maintain a safe and secure environment in each centre; and
- (ii) ensure that people in detention and other people onsite are safe and secure at all times.
