**I Brett Murray** would like to register my opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the *Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010*.

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which I reject. This bill undermines the Judeo Christian values our Nation is built on which has made our Nation, a Christian Nation, a God fearing nation successful and prosperous throughout history. We are not a socialist run nation nor should we be allowed to be by this sneaky, subservient party known as the Greens. Communism has failed the world over and people's of many nations have suffered under tyranny of such Governments. The Greens lead by Bob brown and his policies are attempting to push Australia towards a socialist agenda and as such I find this policy as not being in the best interests of our Nation or the families, old people and the children of our nation.
