

### Admitted separations in Victorian public hospitals, 2011-12 to 2012-13

(raw counts and adjusted counts to remove effect of admission policy change from 1 July 2012)

		IHPA data (based on DH data submitted Jan 2013)	
<b>September Quarter 2011-12</b>	Number of hospitals	141	
	Number of separations	398,860	
<b>December Quarter 2011-12</b>	Number of hospitals	141	
	Number of separations	391,970	
<b>March Quarter 2011-12</b>	Number of hospitals	141	
	Number of separations	384,376	
<b>June Quarter 2011-12</b>	Number of hospitals	141	
	Number of separations	398,627	
<b>Total for all Quarters 2011-12</b>	Number of hospitals	141	
	Number of separations	1,573,833	
<b>September Quarter 2012-13 <sup>(4)</sup></b>	Number of hospitals	141	
	Number of separations (raw count)	367,941	(1)
	Per cent change from Sept Qtr 2011-12	-7.8%	
<b>September Quarter 2011-12 Excluding Emergency Department-only Admissions</b>	Number of hospitals	141	
	Number of separations (exc ED only)	364,260	(2)
	Per cent change from Sept Qtr 2011-12	1.0%	

Notes:

1. September quarter 2013 data no longer includes patients admitted while receiving extended treatment or observation while in the emergency department, consistent with national funding model
2. September quarter 2012 data adjusted to remove patients admitted while in the ED (34,600 patients)
