

Submission to Senate

11th March 2011

0945 hours.

I, Peter Kentley , would like to register my opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the *Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010*. Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which I reject because of the risk of unnecessary death under stress due to people giving up too early, and in the case of homosexual marriage because marriage is between a man and a woman and civil registration is sufficient for homosexuals. Accordingly I submit that this bill is not in the best interests of our Nation or the families, old people and the children of our nation.
