

21-4-13.

To the Senate Finance & Public Administration Committees.

I am seeking your assistance to protect unborn babies in accordance with the UN Convention on the rights of the child. I am asking that medicare funding be limited to health procedures and aborting a child on the basis of gender should not be afforded medicare benefits. Thus I support John Madigan's Health Insurance Amendment Bill.

Thank you for taking this viewpoint into consideration.

Yours sincerely

Anne O'Brien.
