
I write to express my support for Senator Madigan's Health Insurance Amendment (Medicare Funding for Certain Types of Abortion) Bill. I oppose all forms of medical termination of pregnancy and find the process of sex selection by this means particularly offensive.

All human life has intrinsic value and should be protected and nurtured to its fullest potential. Arbitrarily deciding that a baby of one gender is of value and one of the other gender has no value and can be discarded is a barbaric act reminiscent of Hitler's extermination of the Jews.

I do not want my tax money funding such actions.

Thank you,
Mrs Ruth Bosveld
