I wish to register my opposition to the Private Members' Bill sponsored by Senator Bob Brown. This Bill is known as the Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010.

Such a Bill could be used to introduce Euthanasia and Homosexual Civil Unions, the latter of which would be intended to mimic marriage as defined in the Marriage Act (1961). Both of these items are extremely detrimental to our society, with euthanasia particularly being recognised as dangerous legislation in the countries now allowing it. Marriage is defined as the free and lasting union of a man and a woman, primarily for the continuation of the human race, and that's the way it should stay.

I am totally opposed to the passing of this Private Members' Bill.

Yours sincerely

Frank Burgess
