

I, Peter Allard

would like to register my opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the

Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010.

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which I reject as no one has the right to play God with the lives of people as a political amendment to our current freedom of choice as not being in the best interests of our Nation or the families, elderly and the children of our nation.

Marriage according to the founding Fathers of this Nation is between a man and a woman.

Anything other is a caricature of the ridiculous which brings with it the condemnation of the Almighty to whom we must all give an account on Judgement Day!

Children need the input of both a Mother and a father lest they grow up with a warped sense of morality that can only leave them confused and frustrated creating a host of psychological ills that will eventually become a further burden on our current massive welfare bill.

Kindly register my abhorrence to this heinous bill.

Yours truly,

Peter Allard
