

Dear Sir or Madam,

I wish to make known my views regarding the amendment to veto laws for the Australian Territories. I believe that the push to amend this legislation is detrimental to Australia. I have grave concerns that this is a back door effort by Senator Bob Brown to introduce laws to legalise matters which are dangerous to our Australian way of life, and, more importantly, our moral standing. The Australian people did not vote for leadership by the Greens, but that is what is happening. I think the politicians who ARE in power should rein this man and his party in before the thin edge of the wedge he is driving splits Australia apart.

Sincerely,
A Cameron.
