

**Questions on Notice – General Practice Network NT
Darwin – 24 February 2012**

I undertook to provide some details regarding the Palmerston Super Clinic and its allied health staffing. I can provide the following information which I received from the CEO of the clinic:

The Palmerston Super Clinic does not actually employ any allied health service professionals, they do, however, have a number of allied health service professionals providing services out of the Super Clinic on a facility fee arrangement, as follows:

Physiotherapy Service – 0.6FTE

Dietician - 0.2 FTE

Paediatric Occupational Therapist - approx. 0.2 FTE.

They also have the following specialities covered under a facility fee arrangement:

Psychiatry – 0.2 FTE

Paediatrics 0.5 FTE

Psychology 0.4 FTE

Respiratory 0.1 FTE
