

To All Committee Members,

Here is my:

SUBMISSION RE: "Sex Discrimination Amendment (Removing Discrimination Against Students) Bill 2018"

To Discriminate is to "recognize a distinction; differentiate."

1. We all discriminate / discern every day: Recognizing a distinction between what undies, clothes, breakfast, what mode of transport we will use; who is welcomed in our house; etc, etc

2. We all discern / discriminate between Right and Wrong

3. To Discriminate / Recognize distinction / difference between / differentiate is not wrong, it is natural even babies differentiate facial expressions.

4. Political Parties discern / discriminate / recognize a distinction between future party political candidates – choosing those who agree to the "Party Line" belief of that Political Party; They choose candidates and reject candidates.

5. The Defence Force, the Police Force, Universities etc, etc all recognize distinctions between prospective candidates and choose some and reject others on the basis of selection criteria according to the Representative Group.

6. In the very early days of settlement of Australia it was Christians who first set up Schools for all students – including Aboriginal children. Religious / Christian Schools have saved tax payers many millions of dollars over the years.

7. Why are the Labor Party and the Greens Party being so hypocritical in insisting Christian / Religious Schools take transgender students – while the Political Parties themselves are Discriminating between future political party candidates?

8. Muslim's behead Homosexuals, LGBT folk; Islam treats women as second rate citizens.

9. Christians love homosexuals and LGBT folk enough to tell them the Truth: That the God of Creation loves them but Hates sin; We've all sinned and fallen short of God's glory; Sin has consequences (just as when some-one breaks the traffic laws); God's will is that none perish – but repent / turn away from sin. God created Adam and Eve in His image; God ordained Marriage – a male and a female; He didn't make Adam & Steve, He made Adam & Eve to be blessed and bring forth children.

10. Religious / Christian Schools have selection criteria based on Biblical morals and guidelines; Those selection criteria are used to differentiate those students who will be accepted and those who will be rejected – just as any Political party, the Defence Force, the Police Force, Universities all have a Right to do – So why are the Labor Party and the Greens Party seeking to deny Religious / Christian Schools their right to differentiate / discern / make a distinction between?????

11. To deny Religious Schools the Right to discriminate / differentiate / recognize a distinction between students would be wrong and those seeking to do so will be guilty of “making an unjust or prejudicial distinction in the treatment of different categories of people, especially on the grounds of Religious belief”.

12. Our Monarch is by Coronation Oath: DEFENDER of the FAITH – Judeo-Christian Faith;

All our MP’s make an Oath or Affirmation of Allegiance to the Queen on entering into Parliament;
Thus by their own mouths they are HONOR bound to DEFEND the FAITH of our Monarch less they be seen to be acting in a treacherous and dishonest fashion.

Evil prevails when good men do nothing :)

Barbara
