Mr Ken Fowlie Slater & Gordon Lawyers

Dear Mr Fowlie

I refer to previous correspondence relating to your client the Health Services Union and the reporting of electoral expenditure under Part XX of the *Commonwealth Electoral Act 1918*. I also particularly refer to your letter to me of 30 June 2009 in which you indicated that you would provide an update by 31 July 2009.

I am now proceeding to prepare various briefing documents for the Special Minister of State for use when the Parliament resumes on 11 August 2009. It is essential that I receive the previously foreshadowed update from you and your client in relation to the timeframes in which a response is to be provided to the Australian Electoral Commission which meets the reporting requirements contained in Part XX.

The delay in progressing this matter is becoming a concern and will no doubt lead to questions being raised in the Pale ent.

I look forward to receiving your prompt advice as to the progress of this matter.

Yours sincerely

Mr Pirani

Thank you for your email. I refer also to my letter dated 30 June 2009.

Unfortunately, I have not received any further advices from the Industrial Registrar (now, General Manager, Fair Work Australia) regarding its examination of the matters I was instructed by the Union to investigate. Consequently, my client proposes to continue to refrain from providing information to your office at this time. It remains concerned that to do otherwise, could prejudice the inquiries being made by Fair Work Australia.

I will provide you with a further update by the end of August 2009.

Dear Mr Fowlie

Thanks for the update. I look forward to being kept informed of the progress in this matter.

Y e lacknowledge the reason why your client is unable to lodge amended disclosure returns and a third party return at this time due to the particular circumstances of this matter, I note that this delay cannot continue indefinitely.

Accordingly, your clients are hereby placed on notice that if the delay in addressing the requirements contained in Part XX of the Commonwealth Electoral Act 1918 continues for any undue length of time, the AEC will be forced to consider exercising the power contained in subsection 316(3) of the Commonwealth Electoral Act 1918 and to direct notices to produce to both the HSU and to individual members of the HSU Executive.

Yours sincerely

Kathy

I have attempted to contact you twice today and am unable to access your voicemail to leave a message.

I would appreciate having a quick telephone conversation with you to discuss a way forward for ensuring that the National Branch of the HSU has complied with the obligations under sections 314AEA of the Commonwealth Electoral Act 1918 (ie the annual return of an associated entity for 2007-08) and section 314 AEB (the third party political expenditure return for 2007-08 which includes the November 2007 general election).

I am aware of the various articles in the Sydney Morning Herald about the HSU and the expenditure in Dobell that was apparently authorised by Mr Craig Thomson and is alleged to have involved HSU funds. I am also aware of media reports indicating that you have already taken action to refer this matter to BDO Kendali and Slater and Gordon. I also understand from media reports that ther Industrial Registrar may also be investigating this matter.

Yesterday I had a discussion with Mr Michael Williamson who confirmed that the existing third party political expenditure return that we have published only relates to the NSW Branch of the HSU and does NOT include any information about the National Branch of which you are the National Secretary. Similarly, the associated entity returns that we have published apparently do not include the National Branch of your union.

No doubt I will be questioned at Senates Estimates hearing next Thursday 28 May on this matter and would appreciate the opportunity to discuss this matter with you on a without prejudice basis. I just want to be clear about what proactive action you are taking to address this matter (including the proposed timeframes) and to meet the statutory reporting obligations contained in Part XX of the Act.

Letter from Ms Kathy Jackosn to Mr Ken Fowlie, dated 11<sup>th</sup> December 2008

11 December 2008

Mr Ken Fowlie Executive Director Slater and Gordon Lawyers 11<sup>th</sup> Floor, 51 Druitt Street Sydney NSW 2000

Dear Mr Fowlie,

## Referral

The National Executive of the Health Services Union ("the Union") wishes to engage the services of law firm Slater and Gordon to undertake an examination of possible irregularities in the expenditure of the Union for the period 16 August 2002 to 31 January 2008.

## Background

The Union is regulated by the Registered Rules of the Union and Schedule 1 of the *Workplace Relations Act 1996*.

On the resignation of the National Secretary Mr Craig Thomson in December 2007, the National Executive resolved that an exit audit would be conducted on the accounts of the Union. This is a routine procedure in the HSU. The Union's National Auditor, Mr Iaan Dick ("the Auditor") was appointed to conduct this audit. A report from the Auditor for the period of 1 July 2007 to December 2008 was provided to the National Executive in a letter to the National Secretary dated 12 May 2008. A copy is included in the enclosures to this letter.

The report identified what appeared to be a number of irregularities in the accounts of the Union and an apparent lack of documentation in support of some expenditure.

The National Office appears to have no official Minute Book or electronic copies of minutes of meetings of the National Executive or National Council for the period that Mr Thomson held the position of National Secretary. A set of draft minutes for all such National Executive meetings as circulated can be made available but these are not necessarily confirmed minutes. National Executive has approved the annual accounts and financial statements for the Union for each of the financial years prior to 2007/2008.

In another letter from the Auditor also dated 12 May 2008, the National Executive was advised that, in the course of preparing the exit audit report, the Auditor had become aware of the existence of a Commonwealth Bank credit card and that in the 2006-2007 financial year a considerable number of cash withdrawals from ATM's had occurred. Whilst the Auditor has noted that these entries have been entered in the Union's books and attributed to various purposes, there appeared to be no documentary evidence to support that expenditure and the Auditor advised that this may be in breach of the reporting guidelines or Schedule 1 to the Workplace Relations Act 1996. The Auditor has sought the response of the National Executive in relation to this matter.

After receiving the exit audit report from the Auditor, National Executive decided to investigate expenditure incurred on union credit cards to which Craig Thomson, and Matthew Burke and Crisalee Stevens (former employees of the Union), were signatories. The examination was conducted by the Union's Officers and covered the period July 2002 to January 2008.

The Officers of the HSU were unable to locate any supporting documentation for most of the withdrawals referred to in 6 below.

Further, there are a number of transactions which are unsupported by any documentation and which are not clearly identifiable as expenses for the purposes of carrying out the objects of the HSU. Some of these items appear to be of a personal nature, and some were incurred after Mr Thomson's resignation from office.

Matthew Burke and Crisalee Stevens also had HSU Diners Club cards. The summary documents list items of expenditure which are not clearly identifiable from the statement descriptions as HSU related, and, in Matthew Burke's case, were incurred after his employment ended. These transactions are not supported by any documentation.

As you will know, the HSU is required to file a return identifying any expenditure for electoral purposes. There are transactions in respect of which the invoices suggest that they were political expenditure, and a number of transactions for which there are no invoices/receipts and which may be political expenditure.

# Examination

The HSU National Executive requests that you engage an appropriate forensic accounting firm to examine the enclosed documents and report to yourselves and the National Executive on any matters which arise from the above which in their opinion require action or attention by the National Executive, and to make recommendations as to the appropriate course of action the Union ought to take to address matters raised as a result of the investigation.

After receipt of the report of that examination, we seek your advice in relation to the following:

- a. Whether funds of the Union were expended in accordance with the rules of the Union;
- Whether any funds of the Union were inappropriately expended, or not clearly identifiable as expenditure consistent with carrying out the objects of the HSU, and if so to what extent;
- c. Whether funds of the Union were misappropriated, and if so to what extent;
- If funds of the Union have been misappropriated, or expended without authority, what course or courses of action is or are available to the Union to recover those funds;
- e. Any issues that arise regarding the responsibility of the Union in relation to Schedule 1 of the *Workplace Relations Act 1996*;
- f. Whether it is possible to determine the total sum of Union funds expended on Mr Thomson's campaign to win the seat of Dobell in the 2007 Federal election and if so what that sum is?
- g. What other expenditure in the year 2007 was properly characterised as political expenditure which the Union is obliged to declare to the AEC?
- h. What policies, procedures or practices ought to be adopted by the National Executive and/or National Council of the Union to ensure that the Union has in place proper corporate governance practices to comply with its financial management obligations?

We also seek your advice on the Union's obligations in responding to the second letter from the National Auditor. I advise that the National Auditor has not yet finalised the accounts and financial statements for year 2007/2008 pending our response.

Mr Thomson had accumulated entitlements of annual leave and long service leave of about \$190,000. He has only been paid a relatively small amount of this to date, pending the conclusion of the examination of these matters. We request that you advise Mr Thomson that the National Executive has referred the matter for investigation and pending the outcome of that investigation no further payment of outstanding entitlements will be made. Mr Thomson's address is P.O Box 5253, Chittaway Bay, NSW, 2261.

Prior to making any final recommendations to the National Executive, we authorise you to make contact with any person to either gain further relevant information or to give any person the opportunity to respond to any relevant findings of the investigation.

Please find enclosed the following documents:

- 1. Copy of a letter to the National Auditor dated 9 April 2008;
- A copy of a letter from the National Auditor to the National Secretary dated 12 May 2008 together with attachments;
- A copy of a second letter from the National Auditor to the National Secretary dated 12 May 2008;

- 4. Copies of credit card statements for Diners and Commonwealth Bank credit card accounts in the name of the HSU whose signatories were Craig Thomson, Matthew Burke and Crisalee Stevens;
- Copies of analyses of that credit card expenditure conducted by Officers of the HSU;
- A copy of a spread sheet listing credit card cash withdrawals;
- 7. A copy of a document listing payments from an SGE account of the HSU;
- A copy of a letter to the National Secretary from the Australian Electoral Commission dated 21 January 2008;
- 9. A copy of the 2003 Terms of Reference for the Finance Committee, including 'Delegation of Approval for Outlays';
- 10. A copy of the Financial Governance Guidelines adopted by the National Executive in March this year; and
- 11. Copies of unconfirmed draft minutes of the National Executive.

Please contact me if you want any further information or want to discuss any of the matters raised.

Butterne Joukson

Yours sincerely Kathy Jackson National Secretary

## Re: Associated Entity Annual Disclosure Obligation - 2007- 08 Financial Year

I am writing to advise that it has come to our attention that your entity has a disclosure obligation under Part XX of the *Commonwealth Electoral Act 1918* (the Act) for the 2007-08 financial year. The due date for lodging a return was 20 October 2008.

The Australian Electoral Commission (AEC) recently contacted all branches of the Australian Labor Party requesting a complete list of all associated entities. HSU was included on the list.

The financial controller of each associated entity has a responsibility to lodge a disclosure return for the 2007-08 financial year in accordance with Part XX of the Act unless the financial details of the entity are included in a disclosure return for a related entity. If the information for your associated entity has been included on the return of another associated entity, or your associated entity has already submitted a return under a different name, please contact the AEC on (02) 6271 4552 so our records can be updated

Failure to lodge the required disclosure return is a serious criminal offence which may result in the AEC referring this matter to the Commonwealth Director of Public Prosecutions.

A return form is included with this letter to assist you in meeting your disclosure obligation.

Signed forms, including any attached spreadsheets, can be lodged with the AEC via:

- Email to <u>fad@aec.gov.au;</u>
- Fax to (02) 6271 4555; or
- Post to:

Australian Electoral Commission Funding and Disclosure Section PO Box 6172 KINGSTON ACT 2604

Important information to note is provided below.

### **Disclosure** Threshold

The disclosure threshold for the 2007-08 financial year is 'more than \$10, 500.' Transactions below this threshold are not usually required to be reported individually.

### Third Party Return of Political Expenditure

A *Third Party Return of Political Expenditure* is also required to be lodged by Associated Entities where they incur political expenditure in excess of the \$10, 500 threshold in 2007-08. Copies of the return form and handbooks are available from the AEC website (<u>www.aec.gov.au</u>).

### Donor Returns

The AEC uses information from associated entity returns to identify donors. Please ensure that the detailed information on your return is sufficient for the AEC to contact the person or organisation that has made the donation to advise them of their reporting obligation.

Further general information about completing the return can be obtained from the *Funding and Disclosure Handbook for Associated Entities*, available on the AEC website (<u>www.aec.gov.au</u>) or by contacting the Funding and Disclosure Section on (02) 6271 4552 or by emailing <u>fad@aec.gov.au</u>

# RE: Associated Entities of Federally Registered Political Parties

As you would be aware, bodies and organisations that satisfy the definition of 'Associated Entity' in section 287(1) of the *Commonwealth Electoral Act 1918* (the Act) have a disclosure obligation in relation to a given financial year. The definition of an associated entity is set out on the reverse of this letter.

The Australian Electoral Commission (AEC) requires an accurate and up to date list of all associated entities of federally registered political parties in order to inform them of their disclosure obligations under Part XX of the Act. To assist the AEC with this would you please provide a list of all organisations that are affiliated with your party for the 2008/2009 financial year, including:

- The name of a current contact for each organisation; and
- Full address details of each associated entity.

Where an associated entity operates under alternative names or abbreviations, please provide all details. Precise and accurate records will allow the AEC to contact and advise associated entities of their financial disclosure obligations for this financial year in a timely and efficient manner.

Should you have any queries in relation to this matter please do not hesitate to contact the funding and disclosure section on (02) 6271 4552 or via email at <u>fad@aec.gov.au</u>.

Your assistance in providing this information by 29 May 2009 is appreciated.

Yours sincerely

Dear Ms Sayer

# Re: Associated Entity Annual Disclosure Obligation 2007 - 09

Thank you for your letter dated 14 May 2009

The HSU has not yet lodged a return as it is not yet able to determine whether expenditure was disclosurable.

Like most unions, it is customary for the Health Services Union to conduct an exit audit following a change of leadership within the Union or within one of its branches. An exit audit was conducted within the National office of the Union in 2008.

During the audit, the Union's National Auditor raised some issues, which were extensively reviewed by the Union.

The National Executive of the Union then unanimously resolved that the issues required further independent investigation.

The Union appointed a national law firm, Slater & Gordon, and an independent auditor, national accounting firm, BDO Kendall to conduct that investigation and make recommendations. A copy of the letter to Slater and Gordon is attached.

That investigation is continuing and no conclusions have been reached regarding the matters the subject of the investigation or the conduct of any officers of the Union.

The Industrial Registrar and the HSU National Executive have remained appraised of the progress of the investigation.

Until the investigation is completed we are not in the position to accurately disclose political expenditure.

I am advised that Slater & Gordon expect to provide a report by early June.

We will inform you of any developments.

I will provide you with further advice when it comes to hand.

Yours Sincerely

### Dear Sir

I refer to your letter of 14 May 2009 to me and the subsequent exchanges of correspondence between you and the Union's lawyer Mr Ken Fowlie.

Please find enclosed:

- 1. Annual Return relating to Political Expenditure for Financial Year 2006 2007;
- Annual Return relating to Political Expenditure for Financial Year 2007 2008; and
- 3. Donor Return for Financial Year 2007 2008.

## **Associated Entity**

In your letter of 14 May you indicated that you regarded the HSU as an associated entity. Respectfully, we take a different view.

By virtue of s27 of the Fair Work (Registered Organisations) Act 2009 ("Act"), the Health Service's Union is an incorporated entity. As you know, the Union is divided into a number of separate branches, each of which, pursuant to the rules of the Union and the operation of the Act, operate autonomously, including with respect to their financial affairs and reporting with respect to those affairs. This is particularly governed by s242 of the Act. A number of the branches of the Union, specifically the NSW Branch, the Tasmanian Branch, the West Australian Branch and several of the Victorian Branches are Associated Entities of the Australian Labor Party. In each case, they are affiliated to the Australian Labor Party in their respective states and they provide delegates to the conferences of those state branches of the ALP.

Pursuant to s242(5) of the Act, the National Office of the Union is regarded by the Act as a separate branch for the purpose of reporting. However, unlike the state branches of the Union described above, the HSU National Office, is not affiliated with the ALP and does not provide delegates to any forum of the ALP. It seems to us, in those circumstances, that the National Office of the HSU cannot be an Associated Entity having regard for the definition within the Australian Electoral Commission Act.

Naturally, we are happy to discuss this with you. We understand that the National office of the ALP is of the same view.

Please do not hesitate to contact me if you have any further questions.

Yours faithfully

renie Jackson.

I am instructed by the National Executive of the Health Services Union ("Union").

Along with directors from BDO Kendalls, I recently concluded an investigation and made findings in relation to expenditure within the National Office of the Union in the period 2002 – 2007.

As part of the investigation we made certain findings in relation to expenditure incurred by the National Office of the Union which may require disclosure under the Commonwealth Electoral Act 1918 ("CEA").

The full findings of our investigation have now been provided to the Industrial Registrar.

I understand that the Industrial Registrar has initiated inquiries pursuant to s330 of the RAO Schedule to the Workplace Relations Act 1996.

So as not to prejudice those investigations my client proposes to await the conclusion of the Industrial Registrar's inquiries before finalising any disclosure under the CEA.

Whilst I do not know how long it will take before Industrial Registrar reaches a conclusion to his investigation, I will ensure that you are provided with a further update by 31 July 2009.

Please contact me if I can be of any further assistance in relation to this matter in the interim.

Yours faithfully
