Federal Government WorkCover Committee

On 14 February 2002 at 9.52 am and 17 March 2002 at 1.28 pm I sent a facsimile to the Prime Minister Mr J Howard MP and to Mr S Crean MP in respect to a WorkCover matter involving myself where Mitsubishi Motors has reported to WorkCover that it has spent the sum of \$239,166.44 on legal expenses, \$1,718.02 on Investigation Costs and \$46,333.47 on other expenses and the paltry sum of \$35.00 on rehabilitation on myself.

On 4 and 21 March 2002 the Dept. of The Prime Minister and Cabinet informed myself that "The Federal government does not have the jurisdiction to deal with this matter, it is the responsibility of the South Australian Government. I have therefore forwarded your correspondence to the South Australian Premier's Department for attention." NOTE: Mr Crean has failed to reply to my facsimile to him and on 8 May 2002 the Premier of South Australia Mr Wrann informed myself that "Your comments have been noted". In otherwords he was not interested in my matter.

If the committee is serious about its investigation into the WorkCover system then I can be contacted for any further information or documentation if required.

Yours faithfully
