Date: 08/08/12

Mr Adam Newband  
Development Manager  
Defence Housing Australia  
26 Brisbane Avenue  
BARTON ACT 2600

Dear Mr Newband

Thank you for meeting with me on Wednesday 4 July 2012 to discuss the Defence Housing development proposal at 22-24 Withers Road, North Kellyville. I apologise for not being available to attend the public hearing due to existing Parliamentary Committee commitments interstate.

The suburbs of my electorate, including Rouse Hill and Kellyville already have a proud record of hosting Defence housing and I know will welcome more. With the Richmond RAAF base being ideally located approx 20 kilometres away, an existing support network and playgroup for Defence family members the location is ideal.

These suburbs have grown extensively over the last ten years, with many families choosing to reside in this part of the Hills district due to the close proximity to schools, amenities and the Rouse Hill Town Centre.

Given the suitability of the location, the design and the proximity of necessary infrastructure, the site is indeed a good one for Defence Housing.

For these reasons, I fully support the proposal by Defence Housing Australia to build 65 dwellings at North Kellyville.

Yours sincerely

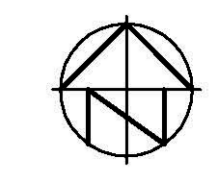

**Alex Hawke MP**
