INDEX TO REPORTS	12

FOREWORD

On 5 October 1967, Your Committee presented to the Parliament in its Ninety-second Report an Index to the first eighty-nine reports of the Joint Committee of Public Accounts. The present Index covers the One hundred and fourteen reports issued by the first seven Committees in the period of seventeen years between the appointment of the First Committee on 25 September 1952, and the presentation of the One Hundred and Fourteenth Report, the final Report of the Seventh Committee, on 25 September 1969.

The Index also includes on page 11 a list of reports, One Hundred and Fifteen to One Hundred and Twenty-four, presented by your Eighth Committee between 25 September 1969 and 30 October 1970. The substance of these reports is not included in the Index.

The method of compilation of this Index is similar to that adopted previously. Topics have been listed under main subject headings and then is indicated the number of report and the page, or the first of a succession of pages, in that report where the topic will be found. Commonwealth departments are indexed uniformly under the key name of the department, e.g., 'Trade and Industry Department' and not 'Department of Trade and Industry'. Authorities whose formal titles commence with 'Commonwealth' or 'Australia' are so indexed with a cross reference under a commonly used name, for example, 'Australian Wheat Board' is indexed under 'Australian' with a cross reference under 'Wheat Board'. Treasury Minutes, conveying to the Committee the action taken by the Treasury and departments on their reports, are indexed under 'Treasury Minutes'.

The following example will illustrate the way in which the Index is to be interpreted:—

COMMONWEALTH STORES SUPPLY AND TENDER BOARD—

Commission charge, historical review 14/10, 17; 16/22; 28/14, 34

This subject and topic are referred to in the Fourteenth Report, pages 10 and 17; in the Sixteenth Report, page 22; and in the Twenty-eighth Report, pages 14 and 34.

The Committee will continue to add to the Index from time to time.

For and on behalf of the Committee,

DON DOBIE,
Chairman.

DAVID N. REID,
Secretary,
Joint Committee of Public Accounts,
Parliament House,
