

## **Additional Comments—Coalition Senators**

1.1 Coalition Senators recommend that a judicial inquiry be considered into violence, abuse and neglect of people with a disability.

1.2 Coalition Senators acknowledge the complexities of living with a disability, and note the good work of the committee in pursuing this inquiry. Coalition Senators further acknowledge and thank the many organisations and individuals who made submissions and presented evidence in hearings so that a full and wide-ranging inquiry could take place.

1.3 Coalition Senators are open to further and deeper investigation into this crucial matter.
