

RECOMMENDATION

Recommendation 1

6.45 The committee recommends that in view of the failure of the government and proponents of the re-establishment of the ABCC to:

- **Establish an economic or productivity case for the ABCC;**
- **Address the very serious incursions on human rights in the bills;**
- **Establish the uniqueness of the building and construction industry sufficient to warrant draconian powers and penalties;**
- **Establish that the coercive powers proposed for the ABCC are subject to sufficient oversight and safeguards;**
- **Establish that the ABCC would improve occupational health and safety in the building and construction industry;**

the Senate not support the re-establishment of the Australian Building and Construction Commission and accordingly, not pass the Building and Construction Industry (Improving Productivity) Bill 2013 and related bill.
