

Appendix 3

Department of Industry Outcome and Program Structure

Outcomes	Programs
Outcome 1: The sustainable development and growth of Australian industry—particularly the manufacturing, services and small business sectors—by encouraging businesses to innovate, collaborate and commercialise ideas, and by delivering business advice, assistance and services. ¹	Program 1.1: Industry Development and Investment
	Program 1.2: Innovative Industry
	Program 1.3: Program Support
Outcome 2: Production, use and awareness of science and research knowledge, by supporting research activity; training and infrastructure; science communication; skill development; and collaboration, within the research sector and between researchers and industry, domestically and internationally. ²	Program 2.2: Science and Research Capability
	Program 2.3: Program Support
Outcome 3: A growth in skills, qualifications and productivity through funding to improve teaching quality, learning, and tertiary sector infrastructure, international promotion of Australia’s education and training sectors, and partnerships with industry. ³	Program 3.4: Vocational Education and Training
	Program 3.5: VET National Support
	Program 3.7: Program Support
