Question:

Senator McALLISTER: What I am interested in understanding is whether the Department of Finance had any concerns about the gov.au project?

Senator Cormann: We will have to take that on notice.

Answer:

The Department of Finance worked closely with the then Digital Transformation Office (DTO), through an Inter Departmental Committee formed by the DTO, over a period of 12 months. Advice the Department may provide to the Government to inform Cabinet's deliberation is cabinet-in-confidence.
