Secretary

Dear Ms Beverley

Correction to evidence: Australian Electoral Commission appearance on 28 February 2017

I am writing to correct evidence from the Additional Estimates Hearings of the Senate Finance and Public Administration Legislation Committee, on Tuesday, 28 February 2017.

Senator Rhiannon asked if the Australian Electoral Commission (AEC) had publically released verification reports by IV&V and IBM.

I indicated the IBM report had not been publically released. Upon further investigation I can now inform the Committee that a redacted version of the IBM report was released under a freedom of information request and is available on the AEC website.

Please feel free to contact me if you need to discuss this matter.

Yours, sincerely

Tim Courtney
Acting First Assistant Commissioner
Australian Electoral Commission
