Dear Ms Beverley

Correction

I am writing to correct my response to a question asked during the Additional Estimates Hearings of the Senate Finance and Public Administration Legislation Committee, on Tuesday, 28 February 2017.

The Chair asked about the origins of a line in the Finance graduate recruitment video (reference page 61 Hansard proof). In my testimony, I stated that that line was the result of a change in the script made at the request of the graduate.

I have since been advised that a member of the production crew suggested this change to the script.

Yours sincerely
